This Mediterranean-style villa is built on one floor, on a 1,380 m2 plot, with a large swimming pool and landscaped areas with natural grass, shade trees. It has 4 bedrooms and 3 bathrooms. Next to the main house but separated from it there is a large storage room and at the same time a laundry area. In addition to a large covered garage. From the outside, stairs give access to a beautiful solarium where you can see the entire plot and with panoramic views. The Villa is located just 500 meters from the beach and the marina.
