Orientation: South •

This incredible Villa located on the beachfront, where we practically touch the sand, is located on the beach of La Zenia in Orihuela Costa, where there are very few Villas with this privileged location. The villa is distributed in basement, ground floor, first floor and solarium. The basement is divided into several rooms such as the engine room, with two 1000-liter water tanks, the boiler, underfloor heating, a 1000-liter diesel tank, and water softener. The basement also has a massage room / bedroom, with sofas, television, and a large full bath. Another attraction in the basement is its two magnificent heated pools, one ideal for swimming and the other...
